## Educational Program

*"What we want to see is the child in pursuit of knowledge, not knowledge in pursuit of the child"*

*-George Bernard Shaw*

We partner with you to provide a play-based educational program. Partnership is a vital element that will allow your child to flourish within our environment.

Please detail below anything that you feel is important to your child's learning journey. We will use this information to set learning and developmental goals for your child's educators to plan experiences and environments for your child.
