

First Steps Playgroup

Do you have a child under 6 years of age displaying:

- Delays in their communications skills;
- Difficulty playing and engaging with their peers or siblings;
- Interest in a limited range of toys and activities; or
- Delayed or unusual play skills.

Our First Steps Playgroup is available at no cost and provides the opportunity for parents/ carers to talk to our experienced therapists and play leaders about their child and learn new information, while their child is learning play and communication skills.
